Load Up & Show Up!

The David Love Vintage Races, April 12-14

The 2019 season opener , the David Love Vintage Races at Sonoma Raceway on April 12- 14 are almost upon us. The weekend is a tribute to a man who did so much for vintage racing in general & CSRG in particular. Let's give him a salute by showing up.

The 2019 CSRG Board has welcomed Ed Lamantia onto the Board & will miss the expertise & sober logic of Dave Olson, who has moved to Hawaii. Nominated & approved in place of Dave is Dan Wardman. (contact info at the bottom of this CP).

Carter Alexander Trophy

Martin Lauber was awarded the 2018 Carter Alexander Trophy for mentoring. Frankly, nobody can match Martin's enthusiasm for vintage car racing & his support of drivers who are trying to navigate the sometimes complicated world of vintage cars. Heartfelt congratulations to Martin!

Here is Martin with the 2017 Carter Alexander Award winner, Andrew Wait, on the left.

Carl Moore Trophy

The Carl Moore Trophy is awarded to a club member who goes above & beyond the norm in supporting the club. It is not an annual award--it is only given when there is a deserving recipient.

Tom has been a competitor, a CSRG Board Member, a Race Director & a guiding light for the club for a number of decades. He is the "protector of the realm" when it comes to ensuring the club continues to follow the precepts established years ago.

Congratulations to a deserving recipient.

John Morton Series for Small Sedans

This is a four race series created for small sedans from the '60s & '70s. Named after the dominant driver & champion of the Trans-Am Under 2.5 Challenge, John Morton, the series has two classes:

Heritage Group: 1966 through 1975 cars with documented race history, be it Trans-Am U-2, 2.5 Challenge or B,C, or D Sedans using period livery and sponsorship ID.

CSRG Touring Cars: 1966 through 1979 SCCA 'B', 'C' & 'D' Sedan cars & Touring cars that conform to the spirit of the rules. (B Sedan Lite, for ex.)

[The Crossflow Cup for 2019](#)

The Crossflow Cup for Vintage Formula Fords & Club Fords has the premier FF series in vintage racing. 2018 was a banner year. It can best be summed up by saying we had 50 FFs at the Charity Challenge with zero, I repeat, zero incidents. The racing is intense, but fair all the way through the grid. Most importantly there is a bond between all of the drivers that encourages good sportsmanship.

Have a Vintage or Club FF? Come join us.

[USRRC Race Group 4](#)

In 2019 CSRG's Race Group 4 will showcase the Sports Racing cars that were associated with the USRRC Championship that ran from 1963 to 1968. Beginning with the David Love event April 12 through 14, our USRRC Race Group 4 will include both Over 2 liter period and Under 2 liter period cars that ran during the time of the original series. At our events both over and under cars will run together throughout the weekend and will be gridded based on qualifying and heat races. After each Saturday's final, we will have a podium ceremony acknowledging the top three finishers in each group, Champagne will be sprayed, accolades given and racing stories told! The Speedway Children's Charities & CSRG

Since 2004 CSRG has raised \$970,000 for the Speedway Children's Charities---a remarkable figure for such a small club. Every member is to be congratulated on this charitable effort, whether it be by participating in the charity rides, the raffle, direct contribution, or whatever.

This from the Sonoma Raceway-Speedway Children's Charities recent press release:

"In total, \$448,000 was distributed to youth-serving organizations in Sonoma County, bringing the chapter's total distribution of funds to just over \$6.4 million since 2001. The amount raised this fiscal year marks \$40,000 more than 2017 and included \$60,000 that was donated directly to the new Wildfire Relief Fund. This fund, which was the result of generous donations following the October 2017 wildfires, specifically funded youth-serving non-profit organizations that are continuing to work on recovery and rebuilding after the fires."

50 Series Tires

We have noticed some cars in G2 & G3 running 50 series tires which are not allowed under CSRG rules. There are some exceptions (G8 cars moved to G2 or G3, for example), but the vast majority of the cars are not allowed to run 50 series tires.

Attention Production Car Owners--A, B & C Sub-Groups Go Into Effect in 2018
