

5th CSRG CHARITY CHALLENGE OCTOBER 10-12th, 2008

The 2nd weekend in October marks the running of the **5th CSRG CHARITY CHALLENGE** at Infineon Raceway. Appearing along with the myriad of exciting CSRG participants will be the cars of the Historic Grand Prix Group, the historic NASCAR Group and Formula Junior.

This **CHARITY CHALLENGE** weekend is a great opportunity for CSRG and all of its friends to again contribute to a great cause – the needy children of Sonoma County and celebrate CSRG’s 41 racing season. Through Speedway Children’s Charities we have been able to donate \$367K in the last four years to the needy children of Sonoma County. All of the receipts from the ticket sales, track ride-arounds, Friday night dinner, and live and silent auctions will again be donated directly to the Speedway Children’s Charities. Our goal is to reach or exceed our donation of last year, so please come out and help us make that goal a reality.

Friday, October 10th - Tech inspection – We will conduct our usual roving tech inspection from noon until 4 p.m. Tech your car on Friday; it means less anxiety and drama on Saturday. **Practice time by group** will be available from 1p.m.-6p.m. on Friday for an additional fee by pre-registration.

This year’s **Friday Dinner** has been changed to a casual affair to be held at a winery close to the track. In addition to the fabulous food and wine we will have a live auction of numerous items of automobilia, art, wine, hotel getaways, etc. Due to the limited space of this venue, we recommend that you respond early.

Saturday & Sunday, October 11/12th:

Vintage Racing – Both days will feature practice and racing by group. The final schedule will be e-mailed along with your acceptance letter.

Charity Ride-arounds – We are working to make this segment of the event even more successful than previous years. The entire \$75-100 donation from the 3-lap ride-arounds will go to charity. If this is something you would like to be a part of by giving rides, please check the box on the entry form. Cars are required to have a second seat and proper belts. All drivers in the charity ride-around must be fully entered as a driver for the weekend and wear full safety gear while on the track. All passengers must be properly belted in and have approved helmets and eye protection. Due to track policy, children under the age of 16 are not allowed on the track.

Saturday Paddock Party for all entrants and their crew – Saturday, following the last event of the day, CSRG and Infineon will host a party for all drivers and crew in the paddock. If you would care to contribute to help enhance the celebration or defray expenses, please let us know.
