

CSRG 5th CHARITY KICKOFF

When: Sunday, **August 3rd**, from 2-6:00p.m.

Where: **Cornerstone Gardens**, located at 23570 Highway 121, just 6 miles from the track.

Why: So that you can be part of the fun and help contribute to a worthy cause. Come help us kickoff the **5th CSRG CHARITY CHALLENGE** scheduled for October 10-12th at Infineon Raceway. Socialize with fellow vintage racers and their guests over appetizers and a wine tasting; bring your spouse, or a friend eager to be involved in vintage racing to bench race; enjoy the drive over and show off one of your cars at our casual showing of race cars, sports cars and some featured new models from Maserati of North America.

The Cost: Tickets for the **KICKOFF** are \$100 each and are tax deductible. Corporate sponsors - \$2,000 for 25 tickets, \$1000 for 12 tickets. All proceeds go to the Sonoma County chapter of Speedway Children's Charities - A nationwide charity program devoted to helping needy kids. Over the past four years, CSRG's efforts have allowed us to donate over \$376,000 to this great cause. Step up and buy extra tickets and introduce your friends to vintage racing and help make this a successful big first step for the **5th CSRG Charity Challenge**. While a few corporate blocks have been sold, we still need the participation of all the CSRG members and associate members to make this year's charity event another success.

Meanwhile, we are enthusiastically organizing activities for the **5th CSRG Charity Challenge** on the weekend of **October 10-12th, 2008** to again benefit the Speedway Children's Charities. A casual Friday night dinner near the track featuring a guest speaker, along with a live auction, a trackside silent auction of many great, must-have items; track rides in a race car of your choice; and two days of exciting Historic Grand Prix, vintage NASCAR, Formula Jr. and vintage sportscar racing are the activities planned for this 5th Charity Challenge weekend.

For tickets to the **KICKOFF** event, please send in the downloadable form or register online.

For further information about **CSRG's 5th Charity Challenge** activities, please contact: **CSRG** at **925.736.2823** or check the CSRG website at: **www.CSRGracing.org**
