Greetings!

A Good Time Was Had By All at the Season Finale

A "Tom" Dinner

The weather was touchy, but at least the rain only came in intermittently, leaving enough time for the drivers to get decent track time. We got all of
the groups out on Friday & Saturday was an absolutely beautiful day, save the morning qualifying race for Group 7.

Saturday at Thunderhill
(Scott Brown photo)

We won't talk about Sunday, other than to say that the hardiest of the hardy still went out.

The awards presentations, in concert with the wine & delicious roast beef dinner courtesy of Thunderhill's Jim Thompson was nothing less than superb.

2016 McKee Award Winners:
Vern Neff & Dick Jensen

Lotus 18 Formula Junior---A superb race car restored to an authentic level & raced with the respect it deserves. From Peter Arundell to Vern Neff. What a lineage!

Worker of the Year: Petey Thornton
Tech of the Year: Henk Boverhuis

Volunteer of the year: Bev Morgan

Even if you haven't met Bev, you've probably heard her sing our National Anthem. I believe it's the best rendition I've ever heard. Take notice the next time...

FYI, sorry there's no photo---Bev would kill me if I posted the only photo I have of her---from the 2015 Season Finale Halloween dinner. I will only say that her costume was like her voice---excellent.

Annual Membership Meeting & Dinner
Please mark your calendars!!! The Annual Membership Meeting will be January 29th at 5:30PM at Fantasy Junction in Emeryville.

Registration will be via MotorsportReg & will open in December.

With the help of Ford's Competition Manager, Henry Taylor, Formula Ford was born. To acknowledge the most successful Formula Car class, CSRG will have a Formula Ford Reunion at the Charity Challenge at Sonoma Raceway Sept, 29-Oct.1.

PLUS
The Can-Am Mini Challenge is coming to town! Time to channel your inner John Fitzpatrick, Paddy Hopkirk & John Rhodes & put on a show at Sonoma Raceway. Talk about a track made for Minis! 1965 Dutch GP

The last season of the 1500cc formula & the first time a Honda led a GP, albeit briefly. I've always thought these cars were under appreciated.
