Monterey is over, so get ready for an event with more track time &

super friendly atmosphere. Time to saddle up again & enter The Charity Challenge, one of the biggest West Coast gatherings for vintage race cars.

European Minis on the Way

This is getting serious: Don Racine tells me that European vintage aces, Endaf Owens, Rene de Vries & Jonathan Lewis are coming. These guys have proven themselves in both vintage & modern forms of racing. Moreover, they will be driving some really cool stuff.

Do the Yanks stand a chance? We need to defend our shores so get your entry in!

All Formula Vees Welcome at the Charity Challenge

(Darren Yardley Photos/Britishsportscars.com)

In an effort to reverse the trend of our diminishing FV group, CSRG will allow any year of FV to run at the CC & Thunderhill, a few weeks later.

One condition: The cars must run to the rules of the

organization under which they normally run. All Vees will run together, but will be scored separately based upon their era.
